Title: Jean's Rotgut Booze

Author: Jean Rousseaux

---

Jean's Rotgut Booze is  
a strong mixture of  
mostly alcohol and  
juniper berries.

It is sold for 6 gp per  
bottle. It is fairly  
new, very cheap  
and only sold at the  
black market.

Rotgut booze is  
murky and greyish,  
and extremely strong.  
Few people are able to  
drink even a small  
amount first time  
without being stricken  
by painful stomach  
cramps for around  
five minutes.

Rotgut Booze is a cheap  
solution for hardened  
drinkers, and  
probably the strongest  
booze on the market.
